

NDC ASLA 2023 ANNUAL CONFERENCE SPONSOR AND EXHIBITOR OPPORTUNITIES

NDC ASLA will be hosting our Annual Conference in Omaha, Nebraska, on September 27th – 29th, 2023. This conference is a major source of professional development hours required for landscape architects and provides an excellent opportunity for members and allied professionals to learn about new products and processes. Last year’s conference was attended by a wide array of professionals from across North Dakota, South Dakota, and Nebraska, representing large and small firms, a variety of government agencies, educators, and students, and we expect this year’s conference to be even bigger!

We would like to invite you to participate in our Annual Conference through one of the many opportunities listed below. Our exhibitor and sponsorship opportunities are designed to showcase your company, products, or firm to landscape architects from across our three states. In addition to acknowledgement during the conference, there will also be scheduled breaks in the exhibitor area during the conference and numerous other opportunities during the social, meals, awards ceremony, and other times to interact with conference attendees.

EXHIBITOR BOOTH REGISTRATION COSTS:

As a thank you to our current NDC ASLA Partners, Nebraska/Dakotas Chapter Platinum and Gold Partners receive a complimentary exhibitor booth as a benefit of their Partner level. Silver and Bronze Partners receive a reduced rate as set forth below. As an additional benefit, Partners will be given the first opportunity to select their booth locations prior to non-partner organizations.

Up to two staff members may attend the Annual Conference as part of the exhibitor booth registration. Additional tickets to the conference can be purchased through the conference registration site. The size and available utilities for the booths will be dependent upon the Annual Meeting venue. Typically, the booth will include a table and two chairs. Exhibitors will be responsible for providing table skirting, setup and tear-down, and all display materials. The conference's educational program will be planned to provide several opportunities for NDC ASLA members to meet and interact with Exhibitors.

- NDC ASLA Platinum and Gold Partners: Complimentary
- NDC ASLA Silver Partners: \$250.00
- NDC ASLA Bronze Partners: \$375.00
